- Hồ Chí Minh.

## CONTACT

- **FB:** [Hùng\\_Sang](#).
- **PHONE:** 0983389628.
- **GM:**  
phamhungsang24052007@gmail.com
- **ADR:** Xã Phước Hải Thành Phố Hồ Chí Minh.

## EXPERIENCE

### 2022 - 2023

- Solid understanding of basic syntax, variables, data types, and control structures (if/else, loops). Have completed fundamental programming exercises such as implementing simple algorithms.

### 2024 - 2025

- Develop a simple static HTML website (such as an online CV or a personal portfolio/introduction page).

## TARGET

### 2025

- I joined the F-Code Club with a keen interest in learning, and with my basic knowledge, I can support my peers. I joined the F-Code Club with a keen interest in learning, and with my basic knowledge, I can support my peers.

### 2026 - 2028

- I want to learn and master more programming languages to help the F-Code Club grow and gain wider recognition.

### 2029

- To achieve career stability and social contribution after graduation.
